Re: NOTICE OF EX PARTE COMMUNICATION – Local Radio Ownership Rule
2018 Quadrennial Regulatory Review - Review of the Commission's Broadcast Ownership Rules
and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996.

Dear Ms. Dortch:

On May 28, 2019, Alfred Liggins, III, Chief Executive Officer of Urban One, Inc., (the licensee of the Radio One group of radio stations), along with David Kantor, Chief Executive Officer, Radio Division, Jeff Wilson, Senior Regional Vice President, Radio Division and Karen Wishart, Chief Administrative Officer, Urban One, met with Chairman Ajit Pai, Evan Morris, Advisor in the Media Bureau, Will Wiquist, Deputy Press Secretary, Alexander Sanjenis, Acting Media Advisor, and Brett Baker, Legal Intern. The purpose of the meeting was to give the Chairman a tour Urban One's DC radio stations and to provide the Chairman and his staff, an oversight of Urban One's divisions – Radio One, TV One, iOne Digital and Reach Media.

During the meeting, a brief discussion ensued about the 2018 Quadrennial Regulatory Review Notice of Proposed Rulemaking regarding the FCC's proposed changes to the Local Radio Ownership Rules. Urban One reiterated its opposition to deregulation, (as detailed in its comments filed with the Commission on April 29, 2019), and stated that the proposed changes to the Local Radio Ownership Rules would negatively impact diversity of ownership and would reduce competition in radio broadcasting. Urban One closed the discussion by thanking the FCC, the Chairman and his staff for their continued efforts to promote diversity and ensure the protection of local radio.

Respectfully submitted

Karen Wishart
Chief Administrative Officer
